Re: Formal FBI Hate Crime Complaint

Sylvia L. Gonzalez  
**Immediate Past  
District Director**

Dear Mr. Beverly:

Herlinda Garcia  
**District Treasurer**

Please accept this letter as our formal request for a full investigation into the brutal assault of a young Hispanic boy by two Anglo men last weekend in Spring, Texas. According to the initial reports, the two men sodomized the young boy with a metal pipe during the assault and the boy is in critical condition in the hospital. The assault should be investigated as a hate crime because of the racial epithets and the men's history. One individual has a record for a prior cross-burning incident according to the initial reports.

**Deputy Director  
for Young Adults**

Bertha Urteaga  
**Deputy Director

The League of United Latin American Citizens is demanding a full investigation under the Hate Crimes Act and we would like to be kept informed of the progress. We request that the investigation it be conducted independent of the Harris County investigation.
